Abby's been traveling the United States with her much-older boyfriend. He's got money, but she's trying to help out by paying for groceries and things. She sent in these pictures for the check. "I figured I've got a good body and I'm young, so I might as well have fun and get a little crazy while I still can. Plus, I love being naked!"

“I’ve gotten pretty good at road head.”

“I had my guy shoot these. He told me that I didn’t have to shoot naked pictures to make money. He said he’d take care of me,” Abby told us. “But he doesn’t get it. I want to show off my body! I’ve always been a show-off. I lost my virginity to a guy I didn’t even know at a party. There were tons of guys cheering him on from the other room. I was so turned on by them listening to me pop my cherry. I wish I were a little bolder back then, I would have invited all the guys into the room with me!”

"My boyfriend and I have some kinky sex. We like to explore each other and find new ways to please each other. I had never tried anal until we hooked up. He started by licking my ass when he was going down on me. Then he started fingering both of my holes. It felt really good, so I let him try putting the tip of his dick in my asshole. Now we probably have anal twice a week. The other day we were driving through Arizona, and I had one of his loads running out of my ass and down my thigh while I was staring at the Grand Canyon."

Reader CONFESSIONS

One reader writes in to tell us that he fucked the one girl he shouldn't have. Another guy shares his secret to a happy marriage!

You won't tell Daddy, right?

Dear Newcummers,

I fucked my buddy's daughter, and he's never going to know. It's not like I planned on fucking Chloe. Hell, I've known her old man for going on 20 years. Still, I'm pretty sure it was the best sex of my life. When all of this went down, I was getting over a pretty bitter divorce. My ex cheated on me, lied to her lawyers and kicked me out of the house I bought. I don't want to get in trouble for having this in print, but I wouldn't be upset if she choked to death on her new boy toy's cock. Luckily, I have an awesome support network of friends who put me up for a week at a time until I got a new place. Chuck's house was the second place I stayed, and that's where I ended up getting seduced by Chloe.

Chuck and I were sitting around the kitchen table. It was close to midnight, and we had drained a 12-pack in two hours while bitching about my wife. His eyelids kept closing more and more as we spoke, so I knew he was going to bed soon. I wasn't tired because my blood pressure spikes every time I mention my bitch ex. After Chuck had stumbled upstairs, I sat on the couch and watched a little TV. When I heard a crash at the other end of the house, I figured it was Chuck making his way to the bathroom. Still, I got up to investigate.

Chloe was standing in the kitchen surrounded by broken glass. "Please don't tell my dad," she begged me. I looked down and saw the broken pieces of a Jack Daniel's bottle on the floor. "I just wanted one more drink, and all of the bars were closed," she explained. "Don't worry about it. How about you grab something else and pour me one, too?" I told her.

Chloe didn't move. Instead, she bit her lip and lowered her head a bit. Then she looked at me with the sexiest puppy dog eyes I've ever seen. "Are you sure you won't tell daddy? I'd hate for him to think I'm a bad girl." Then she walked right up to me and placed her hand on my shoulder. "He doesn't know that sometimes I'm not a little angel. I like to be bad. I just don't want him to know." By this time, her hand had rubbed across my chest and was resting right on top of my belt. I gulped the air. "I already told you that your secret is safe with me, Chloe. He doesn't have to know anything that happened." "Good," she whispered into my ear. "Because I'm not finished being bad."

Chloe's hand dropped to my cock, and I felt her fingers tighten through the fabric of my jeans. My growing bulge began to press into her palm. She wordlessly dropped to her knees and unbuckled my leather belt. As she unbuttoned my Levi's and lowered my zipper, my cock broke free and flung up like a spring door stop. She licked her lips, stuck out her tongue and slowly brought her head to the throbbing tip of my dick. She flicked my pee hole with her softness, and a bead of pre-cum rolled from my glans and onto her palette. "Yummy," she murmured before taking my entire shaft into her mouth.

I feel like I should remind you that I was drunk and standing in the middle of my friend's kitchen while his daughter was deepthroating my cock. As I watched the top of her blonde hair bob up and down on my cock, I caught a glimpse of her arm moving frantically between her thighs. I grabbed her under her armpits and lifted her to her feet. She still had her fingers deep inside her young cunt. I gripped her wrist and brought her digits up to my lips. I took them inside my mouth and tasted her sweet, young cunny juices for the first time. My ex had some sort of psychological block towards letting me eat her out, which was probably for the best because her pussy was always a little saltier than I prefer. Chloe's pussy, on the other hand, tasted as sweet as wildflower honey. I licked her hand

Stephanie

Age: 22
Born: August 12
Ht: 5'9"
Wt: 155 pounds
Bras: 34D

Panties: I like thongs!
Anal: Licking is nice
BJs: Swallow
Masturbate: Daily

Plantation, Florida

Stephanie came into our studios to shoot her very first nude photos. After we were finished taking these photos, she decided to hang around and watch another newbie get fucked on-camera. "I was interested in watching how another girl fucked. I'm a really horny person, so being on a porn set is kind of a dream come true for me," Stephanie told us.

A lot of cool shit happens backstage here at SCORE Group, but this has to be one of the coolest. Stephanie was chatting with Lucy, the teen model we were shooting that day. They hit it off and Lucy mentioned that she loves licking pussy. Stephanie said she had never fucked another girl, but she was curious about it. We jumped on the opportunity and called a stud over to fuck both girls in a first-time bi-sex threeway! We ended up using those pics in *Naughty Neighbors*' Dec. '15 issue.

“I’m not bi. I just wanted to taste a pussy.”

“The threesome was awesome,” Stephanie told us afterward. “I never thought I’d lick pussy, and I certainly never imagined that if I did it would be on-camera for the world to see! But it was interesting. Lucy knew exactly how to eat me out, and your stud knew how to fuck me just right. I came a bunch of times. My favorite part was when Lucy and I were in a 69 and the stud was fucking me, and Lucy was munching on my clit.”

Cece

Age: 29
Born: September 15
Ht: 5'7"
Wt: 130 pounds
Bras: 32B

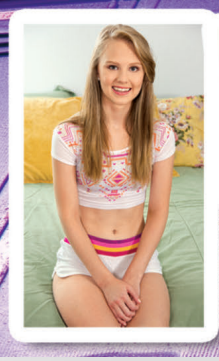
Panties: Who needs 'em?
Anal: Of course
BJs: Swallow every drop
Masturbate: Let's just fuck!

Tampa, Florida

"I make myself cum better than any guy can," Cece told us. "I know exactly when to slow down or speed up. I know the right angles. I mean, I know I can probably give an awesome handjob, but it's never going to feel as good for a guy as when he jerks off. My ex-boyfriend once told me that he could get himself off in under a minute. I didn't believe him because he always lasted a really long time with me."

"I bet my ex a blowjob that he couldn't actually cum in under a minute, but he fucking did it! He actually only needed thirty seconds or so. I was impressed. But I mean, it obviously still feels amazing when somebody else gets you off, it's just not the same feeling as masturbating. The best feeling is when I rub my pussy while sucking dick. That's crazy sexy."

"Suck my tits while I finger myself."



Lily

Age: 18
Born: August 15
Ht: 5'6"
Wt: 110 pounds
Bras: 32A

Panties: Usually thongs
Anal: No
BJs: Spit
Masturbate: Not a lot

Akron, Ohio

"I work at a chain restaurant," Lily told us. "But I'm a shift leader, so I make okay money for an 18-year-old. But I'm saving up money for college. I just moved out of my parents' house, and rent is expensive, so I can use this money you're sending to me for the pictures. But don't think that's the only reason I'm doing this! I'm doing it because I'm the horniest 18-year-old in Akron. I've already had threesomes, and I'm into bondage porn. I'm wilder than I look."

“I look good, but I’ll surprise you in the bedroom.”

"The kinkiest thing I've ever done would have to be that threesome in Boston. I was there with my family, but I split off from them to explore on my own. I ran into this couple who were there on vacation. We hit it off, and they invited me back to their hotel room. We spent a few hours having amazing, completely anonymous sex. I didn't do much with the wife. We just kissed, and I played with her tits when her husband fucked her."

"I lost my virginity to my high school crush. He invited me over because his parents were out of town for the whole weekend. We spent the entirety of Saturday going at it. We only took breaks when we ate or played video games. It was awesome! We both probably came, like, ten times. My little pussy was so sore and red and puffy afterward! It was really aggressive sex for my first time. But ever since then, I've been completely addicted to fucking. I can't ever seem to get enough of it."

Tatiana

Age: 37
Born: July 24
Ht: 5'5"
Wt: 120 pounds
Bras: 34C
Panties: Anything sexy
Anal: Mmm…
BJs: Swallow
Masturbate: Oh yeah

Biloxi, Mississippi

If you ask us, Tatiana looks hotter now than the last time we saw her, posing for *Naughty Neighbors* back in 2010. See, back then, she was just 32 years old. Now she's entering a new phase in her life–a sexier and more sultry phase. Cougars and MILFs get better with each passing year. And just because she's older doesn't mean that she's slowed down at all. In fact, Tatiana's libido seems to have skyrocketed in the past couple of years. And that is a very good thing.

In case you guys don't remember her from 2010, here are the facts about Tatiana. She works at a casino in Biloxi. She only fucks guys in their 20s. She prefers tourists so she can be a freak and never see the guy again. She loves sucking a cock until it's about to burst and then having her pussy eaten. During a fuck, she likes creampies, but she'll happily swallow!

BUSH BABY

DERBY
ENGLAND
AGE 24

BEFORE & AFTER

We love a thicket of pubes in a girl's panties. We also love a nice, smooth pussy. That's why we've been trying out this new format for the Bush Baby layout. It's the best of both worlds! This issue we're bringing you Rosie, a 24-year-old from Derby, England. She grew her pubes out for months just to send in these pictures. Then we asked her to shave them off and take some more shots.

Rosie's scrumptious pussy lips are tuggable and lickable. If you decide to part them, you'll reveal a nice, little gaper. Rosie told us a story about her pussy. "I didn't think that guys were into gaping pussies. Then I was shagging my ex, and he came inside me and pulled out. We were going at it in doggie position, and I was going to move, but he told me to stay put. He put his hands on my arse and spread me wide. I felt the cum leaking out of my cunt. He told me he loved seeing how stretched out he made me. I thought it was sexy, too. I love that stretched, loose feeling."

BUSHBABY

"I'm not sure which pube style I like more. Shaving is a hassle, and I'm not brave enough to wax my holes. It sounds so painful! Most guys seem to like me hairless down there, though. I liked having my rug, too! It was fun to play with and run my fingers through. I also liked how I could shampoo my bush and it would remain fragrant throughout the day. I just didn't like how the hair felt in my knickers. I went without them when I had the bush."

"You can't judge a book by its cover," Lucy told us when we told her that she looked innocent. "I dropped out of high school because I was done with all of the bullshit. I turned 18 a few months ago, and now I'm going into porn. I'm going to support myself and not have to take shit from anyone. I figured that I love having sex and masturbating, I might as well make a little bit of money while doing it, right?"

“I love having my pussy worshipped.”

"I like going on dates where we end up back at the guy's house. I don't care if we go to a movie or go to a concert or wherever. I just like being in a guy's bed, cuddling and fucking all night and into the morning. The guy gets bonus points if he's unshaven. It seems like every guy shaves now. I like my men hairy and rough. I want you to hold me down and fuck me like the big, strong, hairy man you are."

"I'm a big fan of anal. I started doing it with an ex back in high school. My favorite feeling in the world is having a nice, thick plug in my asshole while I'm riding a guy. I feel so full and complete. It's a hard feeling to explain. I can't understand why other girls don't like anal play. I've been with some sexy girls before because I'm bisexual, and almost every time I've brought out my butt toys, they've shied away. I mean, what's up with that? I can't be the only teen who loves anal, right?"

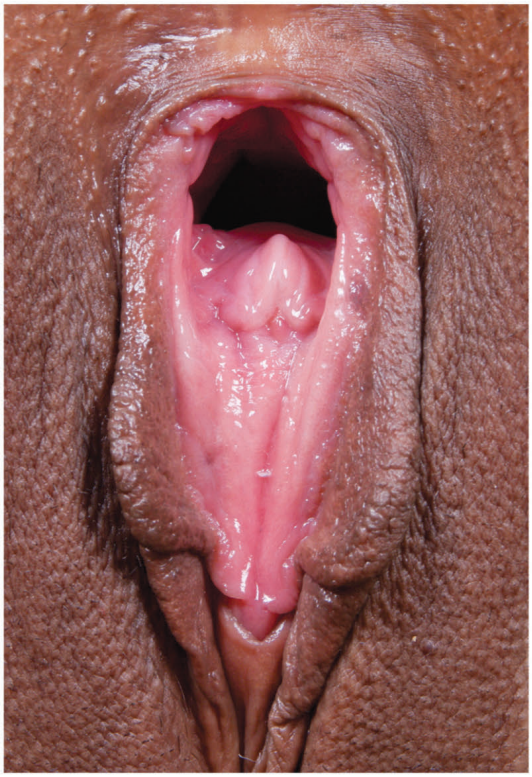
GAPERS!

Well-used pussies, up close and personal.

Angela



They come in all sizes. They come in different colors. Some are built for comfort while others are built for pleasure. No, we're not talking about cars. We're talking about pussy! Nice mocha-skinned girls have caramel cunts. White-skinned girls have ivory vag. One thing that every pussy has in common, though, is that if they're fucked hard enough and long enough, they'll develop a nice, wide gape! Some are wider than others, but they're all a sight to be seen. So, enjoy our up-close look at stretched and gaped pussy.

Bonnie

Jessi's bright pink gaper is delicious looking. You can practically feel her girl goo on the tip of your tongue and taste the sweet, young juice she releases when she's cumming. "I used to get self-conscious about the fact that I squirt a little bit when I cum," she told us. "Then I realized that guys cum a lot, and they're not worried about it! Now I love that I'm a gusher." Jessie's pussy can gape, and we've got some good pictures of that, but we thought we'd add a little variety to this page. Her usually tight butthole got stretched wide after a big, porn-sized cock hammered her cute, little asshole.

Azure

Mimi

Jade

Doreen

These girls are spreading their thighs, stretching their pussy lips and yanking their cheeks apart, but they haven't quite gotten the humongous gape that they want. That's okay, though. Some of the members on NaughtyMag.com have said that they prefer a tiny gape. Take the beautiful Molly. User Cock_Lobster wrote, "I like how she's trying to gape but she can't. That shows how tight her pussy really is. That's how you know she's young and inexperienced." Be sure to check out tons more gapers and stretchers on our website NaughtyMag.com!

Jessica is exceptionally horny. Take these photos as a prime example of that. She and some friends went out to a male strip club down here in Miami. Well, a couple of the guys who dance in those clubs also work as professional porn studs. When Jessica got wind of that little piece of information, she went wild.

"Get my ass in the shot. I know it looks great."

She pulled the hunk gyrating in front of her on stage onto her lap, thrusting her tits into his face. This is probably par for the course for these man-strippers, but Jessica went a little further. She groped at his cock and whispered dirty, little tidbits into his ear. Then she invited him back to her place for a little hanky-panky photo session. He obviously said yes.

"I never turn down pussy," Tony the stripper/porn stud told us. "And I know *Newcummers* doesn't, either. I know pussy, and I know how to fuck, but Jessica was wearing me out. She was begging me to coat her tongue with cum, and you could tell that she wanted it, unlike some pro girls. They'll pretend to like cum, but they really don't. Anyway, enjoy these pictures. Feel free to use them. If Jessica finds them online and contacts you, let her know that I'm available for a second round. She was fucking incredible."

clean, then pushed her back onto the dining room table. I pulled her panties to the side, and began devouring her cunt. She was completely shaved, and she must have used a fresh razor earlier that day because she was as smooth as glass, and her fat pussy lips were glistening like an ice cube. I started at her young hole, sticking my tongue as deep as I could inside her, then tracing a circle around what I was sure I'd be fucking later. Then I slid my tongue up to her clit. She must have been excessively turned on because her button was already peeking out from under her hood. I took it into my mouth and swished my tongue around and around, applying different amounts of pressure. When I felt the first wave of girl cum hit my chin, I slid three fingers into her pussy. It was tighter than I could imagine, but I got them all in. She moaned with surprise, louder than I thought was safe, considering Chuck was right upstairs. Still, I continued to thrust inside her as deep as I could go. Then I turned my fingers over and started making the "come-hither" motion, rubbing against her spongy, wet G-spot. It must have been the combination of direct clit licking and fingering, because something clicked, and Chloe began to gush. My hand was getting soaked, and her girl cum was running down my wrist, warm on my skin.

I brought my head up and dropped my pants the rest of the way. My cock was harder and straighter than an arrow. I grabbed the base of my shaft and started to rub the head of my dick in her wet, messy pussy. "I don't have a condo…" she began to say, but I had already begun plunging my cock inside of her. I watched her eyes roll backwards and I sunk my manhood into her cunt. "Oh, fuck it!" she breathed, once again louder than I was comfortable with. This time, I put my hand over her mouth as I pumped into her. I'm not proud to say that the image of my friend's daughter, skirt lifted and panties pulled to the side while riding on the tip of my fat dick, is the sexiest image I've ever witnessed, but it's the truth.

Mary wrote to us to let us know that she's sorely disappointed by the lack of Portuguese girls in our magazine. "I see Italian girls. I see British girls. I have never seen a single girl from Portugal. Don't you know that Portuguese girls are the horniest in Europe? I think we are the sexiest girls in the world!"

"I went on vacation to Brazil with my parents a couple of years ago. When they went to bed, my sister and I left the hotel and went out to explore Rio de Janeiro. We found our way into a nightclub. She and I both ended up dancing for hours. Guys kept buying us drinks. We both found cute men to make out with. I went to his car, and we fucked in his back seat. I found out my sister sucked the other guy on the dance floor! That's how Portuguese girls do it!"

Annya is single and mingling. She's just trying to have fun with her life before she gets too bogged down with boyfriends or husbands or kids. That's why she thought it would be a great time to get her pictures printed in *Newcummers*. And when we saw her full, perfectly shaped D-cup breasts, we knew you'd like to see her, too.

“What’s the best part of my body? Definitely my tits.”

"I like to go out to the beach with my friends on the week-end. We don't swim. We just enjoy the sunshine and all of the hot guys. Sometimes we'll go shopping in South Beach or just hang out listening to music on the sand, but mostly we go for the boys. It's especially great when you meet someone, party with them and end up fucking them right there in the water."

"Posing made me feel like such a slut!"

Samantha is getting naughty in Naples! From napping to naked, Samantha is baring it all for you! "My boyfriend was watching college basketball, and I was resting in his bedroom and starting to get horny when he came into the room to get something from his closet," said Samantha. "He said later that I looked real sexy, and he forgot about watching the rest of the basketball game."

"I probably would have fucked him quickly so that he could get back to the game, but the fact that he preferred me to the TV was such a turn-on. He took a few photos just for a laugh; then he woke me up. He didn't expect me to pose and strip, but it was awesome foreplay and led to a wild doggie-style fuck session as he banged my pussy and my butt."

Guys, *Newcummers* HQ is located in sunny Miami, Florida. We don't have a lot to complain about down here. But judging by the top-notch quality of tail we see from Canada, we're missing out on some sweet north-of-the-border action. Just look at beautiful Selena.

When she submitted her pictures, we took a moment to share our admiration of Selena's home country with her. "Canada is great," she exclaimed. "We seem more laid back than Americans. Plus, we don't judge people for having sex. It's natural and beautiful, and nudity isn't seen as something to be hidden. Americans seem uptight. So to all of you Yankees, just relax, look at my pussy and enjoy jerking off."

"I work as a bartender, which is a lot of fun," Vanessa told us. "A while back, this girl came in and blew, like, a thousand dollars on a tab without batting an eye. I asked her what she did for a living, and she told me, 'I fuck. And I fuck a lot.' I'd never thought about shooting porn before that, but after that, my interest was piqued."

"If you lick my ass, I'll let you put your dick in."

We asked Vanessa what kinds of dates she likes going on. "I love being outdoors. Anything that involves the beach is fun. I've had guys take me jet skiing and four-wheeling out in the Everglades before. Those were fun dates. If I have a good time on a date, you're guaranteed to get action afterward. You can get lucky on the date, too! A guy took me on a really sweet date to a park once, and I fucked him right there in the field!"

Reader Confessions

continued from page 64

I've never felt a pussy that hot, wet and tight before. The force with which her young cunny engrossed my rod was stronger than a condom. I felt like her snatch was milking my dick for my seed.

My hips started moving faster, and her hands had moved to the top of her dress. She pulled out her modest B-cup tits, and she was tweaking and pinching her firm, pink nipples. I lowered myself on top of her, taking almost her entire breast into my mouth. I could feel her hot breath escaping from under my palm, which was still covering her mouth. I built my speed rhythmically, building up until I was pounding her. The table was creaking under us, but by this time I was sure Chuck was dead asleep. I grabbed her hips and really let loose on her cunt. She was biting her lip and staring at me. "I want you to cum in my mouth," she told me. Hearing her say that clicked something inside of me. My body knew that there was only one place my load belonged. "I don't think so, Chloe," I said. I scooped my hands under her ass cheeks and squeezed as hard as I could as I stepped up my fucking speed. I was now an animal. My balls were slapping against her with the force of a charging animal. With one final surge, I slammed the entirety of my cock inside her. My body ached with how hard I shot my jizz into her tight, smooth cunt. After the first spurt, my chest went clammy, then the second pulsating wave of pleasure overtook me. I could feel my cock double in size with each palpitation, each shot of hot cum inside my friend's daughter. She breathed deeply with each thick rope that entered her dripping wet cunt.

I stayed inside Chloe until I caught my breath, which was a considerable amount of time. I'm not 20 years old like her. I'm an old man, and this was the most intense sexual experience of my life. When I finally withdrew my sticky, glistening sword from her sheath, she sighed a bit, as if she was disappointed that I was leaving her. She slid off of the table, which was easy because of how drenched it was with sweat, pussy juices and my now escaping seed. She stood next to me,

wrapped her arms around me in a surprisingly innocent embrace and said, "So you're not going to tell daddy if I want one more drink?" "I won't tell your daddy anything," I replied. "Just as long as you promise me the same thing." She just smiled. It was more of a smirk. She turned around and I could see my seed leaking down her thighs. *–J.P., Portland, Maine*

Saving Marriages, one mag at a time!

Dear Newcummers,

I just wrote in to say thank you. I've been having a rough patch with my girlfriend lately. We just found out that she's pregnant, and it's fucking scaring the shit out of me. I just can't look at her the way I used to. We got into an argument a couple of weeks ago, and I got in my car and drove away to clear my head. We hadn't had sex in almost a month, which wouldn't have happened before I knocked her up. Anyway, I ducked into a gas station and I saw Newcummers (SP290) behind the cover. I bought a copy, even though I haven't bought a mag in years, and my girlfriend would be fucking pissed if she found out. So I drove to a secluded area and opened it up. When I saw Jenny the redhead on page 74, my boner almost fucking exploded. Seriously, she's one of the hottest girls I've ever seen. I didn't want to jerk it in my car because I'm actually a cop, and I know how much trouble pervs get if they're busted, but my balls were aching. I had to get relief. I drove straight home, rolled up the mag and put it in my glove box, and went in to deal with my wife. She was relieved to have me home, and I was horny as hell. There was a little yelling from both of us, but it didn't last too long. In fact, pretty soon we were going in for a hug. That hug turned into a kiss, and that kiss led to the bedroom. I kept having these flashing images pop into my head. I could see Jenny's long legs instead of my wife's. And

when my wife dropped to her knees to suck my cock and I looked down, I swear to God I could see Jenny's red hair instead of my wife's brown hair. It was weird. I mean, I've fantasized about other girls when fucking my wife before. Haven't we all? But this was different. I wasn't closing my eyes and picturing Jenny, I saw Jenny instead of my wife. It was Jenny's face I watched my cock disappear into while blowing me. I was playing with Jenny's pussy. I was feeling her pubes on top, and sliding my fingers into her wet, smooth cunt hole down below. And I slid my cock into Jenny's pussy, sucked on her pale tits and massaged her ass with my hands. It was a surreal feeling, bordering on cheating. But it felt incredible. I flipped over and let Jenny take control. She began rocking on my dick, putting her chest on full display. Then she leaned back and I could see her clit protruding for me. I used my thumb to massage her bean, causing her pale thighs to quake. She was building for a big orgasm, I could tell. My balls were getting drenched with her pussy juices. I could feel my orgasm building, too. As she rocked on top of me, we both began to spasm and shake. I shot my jizz deep into Jenny's cunt, and that tipped her over the edge. She was practically convulsing on top of me. Then, just like that, my wife returned. She laid her head on my chest. I could feel her heartbeat through my belly. It was, without a single fucking doubt, the best sex we've had in years. She let me know afterward that she felt like I was more engaged with her during that sex than she'd ever felt before. Isn't that funny? Anyway, this letter is to say thanks to you guys, and I hope Jenny reads it, too. I don't think it's too much of an exaggeration to say that seeing her saved my marriage. Please let me know if there are any more pictures of Jenny. I'd love to refill my spank bank!–*B.D.W., New Orleans, Louisiana*

Dear B.D.W., You're in luck. Jenny also had some photos in Naughty Neighbors *November '15. You can buy that back issue on page 11, or you can go online and find it on eBoobStore.com. You can also find her pictures online at Naughtymag.com! Enjoy, and tell your wife that she owes us one, if you know what we mean.* NC

Trisha

Age: 21
Born: February 16
Ht: 5'4"
Wt: 115 pounds
Bras: 32B
Panties: Thongs
Anal: I'm training my ass
BJs: Cum on my face!
Masturbate: Obviously

Waukegan, Illinois

There's nothing better than a picnic in the great outdoors. Maybe getting a sexy 21-year-old to suck and fuck your cock in the great outdoors is better. We shot this set a while back. In fact, it was Trisha's first time shooting a hardcore scene. She's now done more work in the adult industry, but just a few months ago, she was an amateur struggling to swallow a cock!

Trisha has something very important in aspiring starlets: drive. "I know I'm not the best at deepthroating, so I practice every opportunity I get," she told us. "I got one of my fuck buddies to come over and let me practice on him. I told him he'd get a blowjob, but only so long as he didn't mind me taking a long time and gagging a lot. It probably took an hour before I felt confident enough to let him cum down my throat. But practice makes perfect! I'm practicing my anal skills now, too. I'm using buttplugs to try to get used to the idea of a cock in there."

"I'll keep sucking and sucking until I get it right!"

"My favorite positions are doggie-style and plain, old' missionary. Missionary makes me cum the hardest, and doggie makes me cum the fastest. I can cum in almost any position, though. I'm one of those lucky girls who has never had an issue getting off. My friends used to be jealous of me, and they would ask me how I do it. It's mostly biological and the fact that I'm not self-conscious. A lot of women mentally block themselves."
